show me ... don't tell me skin care

SKIN CELL OPTIMIZED FUNCTION

I have formulated this product to provide the ULTIMATE strength therapy and visible results, scientifically possible, to prevent, correct, rejuvenate, restore, and anti-age ALL skin types. Intensified therapy for all problem, blemished and damaged skin, pigment, scarring, and wrinkles.

Use with all Skin Therapy products for OPTIMIZED maximal results.

Julia T. Hunter M.D.

Professional Strength, Chirally/Chemically-Correct, NON-Toxic Skin Care

Instructions: STEP 2 - AM/PM: A small fingertip size amount daily or twice daily for entire face, neck, chest, hands, body skin. AM/PM - mix in palm with all products except CLEANSER & PEEL.

Clinically proven, state of TODAY'S gold standard skin science, ultimate quality, quantity and formulation of cutting edge ingredients minimize skin problems, challenges and aging despite today's world. Remarkable, unique ingredient penetration deeply into the skin to maximize, prolong and expand skin youthful function, telomere, DNA and mitochondria health and revitalization in every skin type and age, further optimizing the synergistic, essential ingredients in each of the other Skin Therapy products.

Rich in skin extreme condition, environmental stressor withstanding, essential fatty acids, cell membrane strengthening phytosterols, aging, damage and UV protecting carotenoids and antioxidants, needed and lacking vitamins, anti-wrinkle strongest, comprehensive neuropeptides and liquid crystal, biomimetic growth factors/peptides. Previously unavailable skin stem cell, genes, fibroblasts, cell to cell communication, DNA/mitochondria cyto stimulation and preservation, providing maximal, unprecedented show me don't tell me visible results.

SKIN THERAPY IDEALLY SHOULD BE accompanied by optimizing the body's internal organs and hormone functioning as this results in better and faster visible results, by helping to clear, prevent, restore, rejuvenate and achieving goals, along with promoting health, preventing medical challenges, feeling and thinking better, more energy, endurance, brainpower and less weight struggles.

OPTIMIZED PREVENTION & RESULTS:
