THESE STATE OF THE SCIENCE INGREDIENTS ARE WHAT IS NEEDED FOR MAXIMAL THERAPEUTIC RESULTS! IF you are NOT using WRINKLE FILLER DAILY in your skin care regimen you NEED TO!

- ◇ L-Hyaluronate holds up to 1000 times its weight in water, significantly more than even collagen for restoring youthful skin volume, suppleness and moisture, minimizing age-related wrinkling, lines and crinkling, preventing evaporative loss and with NO OIL, so it is an excellent solution as well for oily, blemished skin and for men as aftershave.
- ◇ Fortified with Phytic Acid antioxidants for layered therapy to help decrease skin aging, abnormal pigment, irritation and redness.
- ◇ Organic Aloe and botanical extracts help to soothe, calm and support immune function, toxin removal and nutrient distribution for skin optimal health/youthfulness. This makes it SUPERLATIVE after laser treatments, any skin irritations, rashes, and to help relieve symptoms of rosacea.

WHY UPGRADE MAXIMAL REPAIR WRINKLE FILLER?

I am continually researching rare physiologically and scientifically correct and PROVEN ingredients from around the world's scientists to upgrade my therapeutic skin products, so they ALWAYS perform at MAXIMAL Physician strength, providing you with OPTIMAL RESULTS and SOLUTIONS at ALL times. CELLULAR COMMUNICATION is the exciting Science behind treating/attempting to prevent all conditions of the entire body including Anti-Aging and the key factor for Mitochondrial/Cellular Efficacy.

What IS INTERCELLULAR COMMUNICATION?

It is the exchange of signals within the cell's ions, and metabolites, ESSENTIAL for maintaining the skin's internal stability against internal and external toxins, inflammation and stressors. This cell to cell communication delays the aging process and rejuvenates the skin cells, promotes epidermal thickness and skin surface smoothness.

While working on several formulations, I discovered that WRINKLE FILLER was the BEST and SCIENTIFICALLY-CORRECT vehicle for this new Intercellular Microorganism ingredient, because this ingredient best synergistically integrates with WRINKLE FILLER'S current ingredients to physiologically stimulate the flow and exchange of the extracellular nutrients throughout the skin.

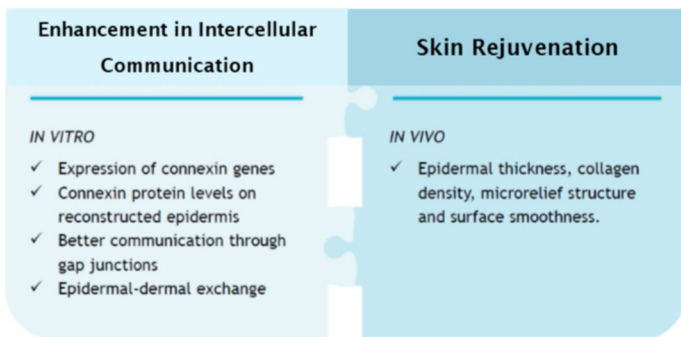

By using WRINKLE FILLER DAILY, your Skin will appear:

- * MORE YOUTHFUL
- * LIFTED, ELASTIC, TIGHTER
- * PLUMPED/THICKER (VOLUMIZED), MORE MOISTURIZED
- * HEALTHILY PINK/DEWIER AS IN YOUNGER SKIN
- * LESS LINED!
