Chirally Correct, NON-toxic Skin Care

Instructions: STEP 1 - PM ONLY: After cleansing, a thin film over face, eyes, neck, chest, hands and arms. After one minute can place NIGHT REGENERATION OVER PEEL. May mix with all products except CLEANSER & PEEL. Use nightly. Can use on entire body. Place Retin A, non-toxic cream bio-identical hormones OVER evening products. *Please note* - due to the therapeutic, active ingredients, you may view bubbles on the product or a change of consistency, this has no effect on the product's potency or viability.

NIGHT REGENERATION helps provide the array of raw materials in MAXIMAL doses that the entire skin and mitochondria need during sleep, to function, perform and restore MOST energetically and youthfully, optimizing the appearance and condition of your skin when the skin optimally builds and repairs. These synergistic, state of the art, powerful ingredients have a high capacity to increase oxygen in the skin with its resulting remarkable visible clarity, clearing, revitalization, resolution of challenges and prevention. Also excellent to aid blemish clearing.

- Unique lifting action to help firm sagging skin.
- Delivering V-shape lifting properties by tightening the sagging neck skin, lifting the cheeks and smoothing out crow's feet and wrinkles.
- Recreates skin tension meaning TIGHTNESS-ANTI-laxity-- by helping to restore the skin cell mitochondrial dynamism meaning BEST more YOUTHFUL function ESPECIALLY combined with INTERNAL mitochondrial optimization products - ask us what these are.
- Protects against oxidative stress (air pollution, UV radiation). SYNERGISTIC with CALM AND REPAIR and its daytime ENVIRONMENTAL SHIELDING - and WE NEED as MUCH as we can get in today's world!

Key Ingredients:

Buddleja Plant Stem Cells - provide effective and broad spectrum protection from photo-damage and oxidative stress. These natural plant stem cells are superlative for blemishes, bacteria and sebum overprotection, seborrhea, cell nutritive, moisturizing, soothing, calm redness and irritation, and protect collagen.

L-Ergothioneine (Thiotaine) - an antioxidant amino acid, that works on protecting the skin from oxidative and DNA damage.

L-Glutathione - the master antioxidant helps protect the mitochondria (the energy powerhouse of the cells) and also helps to avoid wrinkles by strengthening and rebuilding collagen bonds.

Potent and Protective Antioxidants: Tocotrienols and D-alpha Tocopherol - the chirally correct, highest natural correct ratio of full spectrum tocotrienols and the most effective form of Vitamin E to speed healing.

Anti-aging benefits: Glycine Soja - for maximal firmness. **Cavamax** - an encapsulated and more stable form of skin perfecting provides wrinkle-fighting retinol to your skin.
