

MAXIMAL STRENGTH ENVIRONMENTAL PROTECTION

RESTORING, SHIELDING, DEFENDING, PROTECTING FROM DAILY ENVIRONMENTAL CONDITIONS

Skin Therapy Shield & Defense contains Maximal Physician strength, scientifically correct, non-toxic ingredients for optimal skin shielding and defense AND helps repair skin health from all daily environmental conditions and challenges.

Containing an unprecedented unique chemical structure and concentration of Zinc - the ultimate environmental protection and skin shield-further layered with maximal strength and formulation breaking new ground antioxidants- Shield & Defense is, as a result of all its unprecedented vs. all else on the market ingredients, formulation, density and chemical structure of zinc with layered anti-inflammation-THE solution to help protect as never previously available and resolve skin damage/challenges.

It guards with break new ground layers of therapy, shielding and defending the skin while balancing moisture, providing the healthy, normal, desired dewy, youthful look on the surface while feeling like there is nothing on the skin despite layering with other skin products and even makeup.

- Tinted - Healthfully compatible with skin of every color.
- Reef-safe for preserving ocean health.

USE DAILY for Chirally Correct, NON-toxic Healthy Skin Protection

Instructions: AM: Apply to skin daily over Morning Skin Therapy Products and before or after makeup. Reapply if sweating significantly or outside all day for optimal shielding and defending.

Daily Skin Health – Essential to Restore, Renew and Help SHIELD and DEFEND the Skin!

We are daily and INCREASINGLY exposed to environmental factors that age, increase skin symptoms and risk of diseases from challenging us increasingly externally- and internally by absorption of ingredients to avoid through the skin!! The more we layer skin with scientifically correct state of the science ingredients, the more we help decrease skin damage, aging and conditions.

- Shield & Defense provides the MAXIMAL strength therapy for skin health and protection to help prevent and protect against visible signs of aging, restore, balance moisture in all skin types and repair from environmental factors and damage for ALL skin types, genders and conditions.
- Shield & Defense helps to restore and support optimal skin health from disturbances, toxicities we have accumulated from environmental toxicities, stressors, complicated by genetic challenges and weaknesses that promote and may result in health, skin and genetic damage and aging.
- ALL active ingredients as always are maximally therapeutic and non-toxic to help prevent against inflammation and additive damage from toxic environmental stress factors. Therapeutic formula for calming irritation and redefining skin clarity – contains no titanium nor harmful chemicals. **Shield & Defense may help in resolving the following skin conditions symptoms: Acne, Age/Brown Spots, Melasma, Eczema, Psoriasis, Rosacea, Irritated Skin, Dull Surface, Enlarged Pores, Dry Skin.**
