REPLENISHING & PLUMPING

I have formulated this intensified product to provide the MAXIMAL strength therapy and visible results scientifically possible, to help protect, correct, rejuvenate, restore and replenish ALL skin types.

Julia T. Hunter M.D.

Chirally Correct, NON-toxic Skin Care

Excellent for lines reduction especially around eyes, mouth, neck, chest, forehead, hands, arms, knees.

Instructions: STEP 1 - AM/PM: A tip of fingertip size amount is enough for the face, eyelids, neck and chest. (Add in 2 drops of water for more spread volume). Can mix with all products except CLEANSER & PEEL. Use on every part of the body.

Please note – follow the prescribed amount. If you use more (dry skin may need a bit more), the skin may feel a bit sticky because VERY strong hyaluronic and the skin can only absorb so much AM and PM.

WRINKLE FILLER is unequalled topical strength Hyaluronic Acid, which is found in injectable fillers. This is a stronger formulation of the previous HYDRATION. The body's production of Hyaluronic Acid (L- sodium hyaluronate) in the skin and entire body diminishes with age, stress, hormones and lessened health. Application on the surface of the skin of the entire body can help replenish this imperative ingredient to help keep the skin plump and hydrated to decrease the appearance of wrinkles, crinkles and lines, as hyaluronic acid has the ability to hold water for a much longer period of time than any other humectant. It also serves to help keep the skin soft and supple, enhance nutrient distribution to and toxin removal from cells, and helps increase skin collagen and elastin production and support immune function.

Skin plumping and volumizing IDEALLY is accompanied by optimizing the body's internal organs and hormone functioning as this results in better and faster visible results, clearing, preventing, restoring, rejuvenating and achieving goals, promoting health, feeling and thinking better, more energy, endurance, brainpower and less weight struggles.

Key Ingredients:

- L-Hyaluronate holds up to 1000 times its weight in water, significantly more than even collagen for restoring youthful skin volume, suppleness and moisture, minimizing age-related wrinkling, lines and crinkling, preventing evaporative loss and with no oil, so excellent as well for oily, blemished skin and as an aftershave.
- Fortified with Phytic Acid antioxidant for layered therapy to help decrease skin aging, abnormal pigment, irritation and redness.
- Organic Aloe and botanical extracts help to soothe, calm and support immune function, toxin removal and nutrient distribution. This makes it superlative after laser treatments, any skin irritations, rashes, and to help relieve symptoms of rosacea.

Complete Ingredients: Aqua, Glycerin*, Sodium Hyaluronate (L), Aloe Barbadosensis Leaf Juice Powder*, Hamamelis Virginiana Water, Phytic Acid, Citric Acid, Lonicera Caprifolium Flower Extract, Xanthan Gum, Lonicera Japonica Flower Extract, Alcohol Denat., Potassium Sorbate, Sodium Hydroxide. *Organic

Caution: For external use only. Avoid getting in eyes. Keep out of reach of children.

1 oz / 28.3 g - this product should normally last 2-3 months depending on amount and frequency of use.
