Cellular Restoration for Daily Skin Distress SPF 30 Broad Spectrum Protection

REPAIRING, RESTORING, SHIELDING ENVIRONMENTAL CONDITIONS

MORE than just a sun protection, this intensified product provides the **MAXIMAL** strength therapy for skin health and protection to help prevent and protect against visible signs of aging, restore, moisturize and repair from environmental factors and damage for **ALL** skin types, genders and conditions.

Julia T. Hunter M.D.

USE DAILY for Chirally Correct, NON-toxic Healthy Skin Care

Instructions: STEP 1 & 2 - AM: Instructions: Apply a small (size of a pea) amount to skin daily over AM products and before makeup for ultimate environmental protection. Mix with 2-3 drops of Emu Oil for better coverage. Can dab a bit more Emu Oil or Wrinkle Filler on top of Calm & Repair for a shinier, dewier look. For best environment/UV protection, reapply every 2 hours as sun increases skin cancer risk, skin aging. To help further decrease sun risks and symptoms use this broad spectrum SPF 30, wear sun protective clothing/ sunglasses. Shielding environmental/climatic conditions helps further protect.

Daily Skin Health and Protection - Essential to Restore, Renew and Help SHIELD Skin Cells

WHY Calm and Repair... We are daily and INCREASINGLY exposed to environmental factors that age and challenge us internally and externally!

Calm and Repair helps to restore and support optimal cell health from disturbances, toxicities that we have accumulated from environmental toxicities, stressors, complicated by genetic challenges and weaknesses that promote and may result in disease risk, health and skin damage, aging and suffering. ALL active ingredients therapeutic and non-toxic to help repair and prevent against further damage from environmental stress factors including the sun's direct and reflective rays.

Challenges from sun, pollution, radiation, toxic, irritating chemicals in products used on the skin, hair and nails, in water, foods and the air we breathe, worsens the internal challenges, genetic, protein, immune, organ and cell damage. Compromised functioning is caused by what we eat, nutrients needed - but lacking, stress, foods we are sensitive or allergic to and toxins deposited in our glands, lymphatics, cells, DNA, gut and tissues and absorbed through our skin.

WHY Calm and Repair MUST BE USED DAILY:

- ALL active ingredients therapeutic formula for calming irritation and redefining skin clarity - contains no titanium nor harmful chemicals.
- Restoring moisture and shielding from further damage helping to repair cellular and extracellular damage down to the skin cell level.
- Complete protection that includes SPF 30 Broad Spectrum defense.
- Can mix with Wrinkle Filler and/or Emu Oil for better coverage, additional moisturizing benefits and a shinier, dewier look.
