PROTECTING
&
RESTORING

VITAMIN C PLUS is in powdered form - ESSENTIAL to provide MAXIMAL potency for maximal therapy:

- Collagen stimulation, skin cell and component renewal (youthful tightening, lifting, volumizing, clarity).
- Decrease appearance of: brown pigment, pore size, symptoms of rosacea, sensitive and red skin, blemishes and their scarring, undesired veins and growths, ingrown beard hair, abnormal skin cell exfoliation.
- Chiral 95% L-ascorbic acid with strengthening synergistic vitamins C, E, B, A, amino acids, minerals and omegas to help quickly and maximally relieve symptoms of inflammation and generate maximal healthy cell renewal production.
- Most maximal anti-oxidant formulation, chirally-correct power, fortified with L-Glutathione (the master anti-oxidant) to help defend, protect, promote health, reverse appearance of aging, degeneration and risk of disease.
